

**NEW!**

## **Introducing The CatMouse™!**

**Now Naturally Eliminate Litter Box Odors....**

**Electronically, With The Push Of A Button!**

*No one will ever "smell" you have a Cat!*

The Electronic CatMouse™ is the "Purrrfect" Litter Box Odor Eliminator!

It destroys odors and bacteria quickly, easily, effectively and safely.

**It's the new Clean & Green, NATURAL alternative to deodorizing your litter box and home, WITHOUT toxic & expensive chemicals!**

Nature already invented the "Purrrfect" miracle deodorizer eons ago. Organic airborne oxidizers & purifiers are produced by Nature from lightning storms, sunshine, rain showers, ocean surf and waterfalls. Now enjoy the same miraculous, clean fresh air and mood lifting healthy benefits, right in your own home! The CatMouse™ Litter Box Odor Eliminator electronically generates these naturally balanced Oxyions™, harnessing the same miraculous deodorizing air purifiers, and in the same safe proportions as nature itself, producing amazing, Instant Fresh Air results. The Catmouse™ brings the benefits of fresh outside air into your home, without the work, risk or energy cost. The CatMouse™ is nature's own answer to litter box odor problems.

Remarkably, the only remaining byproduct is fresh OXYGEN!

**The New CLEAN & GREEN CatMouse™ .....**

**For Happy Healthy Cat(s) & A Happy Healthy Home!**

Eliminate more than just Litter Box Odors!

Due to the compact portable size of the CatMouse™, it is most effective for its designed purpose; safely cleaning and deodorizing relatively small areas and items. You can treat virtually any object by simply placing the CatMouse™ above the items, within, or in close proximity, to them. The CatMouse™ can be placed in large plastic storage boxes, garment bags, shoe boxes, under hamper lids, pantries, hope chests, near the laundry chute, garbage cans, diaper pails, even in small closets. Great for naturally & safely de-scenting hunting clothes and gear too!

- NATURALLY KILLS ODORS, GERMS, BACTERIA, MOLD, MILDEW FUNGUS & MORE..... without toxic chemicals, cover-up scents, fragrances or their high cost and residual polluting byproducts
- Safe & natural oxidizing oxygen-ion output, leaving a fresh, clean, sweet, smell
- Stylish, low profile, compact design in a versatile, attractive mouse-gray finish
- Whisper quiet operation in any mode
- Ultra-low 3 watt power consumption (half that of a nightlight)
- Place anywhere! Generous 5 ft., pet safe, low voltage power supply cord allows versatile placement. NO BATTERIES REQUIRED nor their expense.
- Low maintenance, durable stainless steel needle point deodorizer generator
- Includes 110V AC Power Supply, Optional Pheromone Therapy Diffuser Wicks, repositionable mounting strips, hanger hardware and complete Instruction & Usage Guide

**CatMouse™ - The best investment you'll ever make!**
