

*Now...  
No one will ever  
"smell" you have a  
cat or any pet!*

Tired of cleaning your home only to be left with a lingering litter box odor?

Does the smell of dog beds permeate your living area?

Do guinea pigs, gerbils and hamsters have you wheeling with a bad whiff?

Introducing The Catmouse™...The World's Most "Purrfect" Litter Box & Pet Area

Deodorizer. Now you eliminate strong odors 24/7 with the push of a button! It's the all-natural alternative to destroying odors.

Nature already invented the "Purrfect" miracle deodorizer eons ago...

organic airborne oxidizers & purifiers are produced by Nature from lightning storms, sunshine, rain showers, ocean surf and waterfalls. Now enjoy the same miraculous, clean fresh air and mood lifting healthy benefits, right in your own home!

**NO Landfill Waste Or Pollution**

## Eliminate more than just Litter Box Odors!

Due to the compact portable size of the CatMouse™, it is most effective for its designed purpose; safely cleaning and deodorizing relatively small areas and items. You can treat virtually any object by simply placing the CatMouse™ above the items, within, or in close proximity, to them. The CatMouse™ can be placed in large plastic storage boxes, garment bags, shoe boxes, under hamper lids, pantries, hope chests, near the laundry chute, garbage cans, diaper pails, even in small closets. Great for naturally & safely de-scenting hunting clothes and gear too! The Catmouse's™ natural odor eliminating process will make your hunting apparel invisible to animals.
